OFFICE OF THE ATTORNEY GENERAL

Dear Louisiana Board of Ethics:

I am requesting an advisory opinion in regards to my employment history with the Office of Public Health and my interest in accepting contract work with the Southwest Louisiana Area Health Education Center.

I served as a full-time Public Health Nutritionist 3 for the Office of Public Health from February 2, 2015 until March 18, 2016. In this role I assumed supervisory duties for the Iberia Parish and St. Martin Parish Public Health Units. This included exercising decision making for the daily operation of the WIC clinics as well as managing the WIC clinic staff. I was also responsible for the nutrition care of high risk WIC participants and infants on special formulas.

The position I would like to apply for will involve providing support to WIC mothers and newborns at the hospital to mitigate premature cessation of breastfeeding. It will be a part-time position requiring me to visit baby-friendly hospitals which, at this time, include Opelousas General Hospital. This position will not require travel to the Public Health Units and does not involve supervision of employees.

I resigned from my previous position with no intention of applying for the new position and, in fact, was not aware that the new position existed until after my resignation. I submitted my resignation on March 4, 2016 and my final date of employment was March 18, 2016. I submitted my resume for the contract job on March 22, 2016.

I appreciate your consideration for the agenda at the upcoming board meeting. I hope I have addressed all of your concerns. I have included a copy of my email where I sent my resume as well as the human resources document indicating my active date of separation. Please contact me at 337-212-8512 should you have questions or need additional information.

Sincerely,

Adrianne Sonnier MS, RDN, LDN
